ISU Rotaract News by Lynette Seymour

The club members have been busy preparing for two major activities this semester. As a part of the *Stash the Trash* project we will again be cooking and

servicing a light lunch of hotdogs, chips, fruit and other surprises. Be sure to join us after you finish cleaning up Mortenson Road. We will be located just outside the Reiman Gardens gate, in the parking lot. Club members have been busy securing sponsors who will be providing all of the food and supplies to make the day a success and to thank the volunteers.

Our new project this year, which we hope will turn into a sustainable project leading to supporting a school in the country of Uganda. We are currently researching the needs of the area, and formulating a mission statement and plan on keeping literacy as a central driving force for the project. While we are completing those plans, we have planned on being part of the Cy's Big Top tent at Veishea. We will be "selling" bookmarks printed with the ISU sesquicentennial logo
